Summer
Vacation Home
Work
Class: VI

Dear Students

**DAV PUBLIC SCHOOL, BARHI
SUMMER HOLIDAYS WORK SESSION 2021-22
CLASS-SIX**

Learning is the beginning of wealth.

Learning is the beginning of health.

Learning is the beginning of spirituality.

Searching and learning is where the miracle process all begins.

.....*Jim Rohn*

Holiday is the time that we all eagerly wait for. We all make plans to enjoy, to relax and to empower ourselves during these gala days. This summer vacation the Holiday Homework so designed by the mentors of the school is a medium for you all to achieve the motto of “Fun and Learn”

The activity based assignments will foster curiosity, develop creativity, enhance knowledge and instil the joy of learning among you all. They will certainly help you discover a new you who is more enriched and confident and performs every action to perfection.

As it is well recognized that DAV Public School not only focuses on academics but lay equal importance on Co-scholastic Competencies. The school also desires you to adhere to the following guidelines for a fulfilling break:

REMEMBER

- Neatness and presentation are common parameters for most of the activities assigned. Please maintain the quality of work done.
- Complete and submit the holiday homework according to the dates given. Note down these dates carefully as late submission after these dates is not acceptable and you will be losing the marks/grades for the same if you miss the date.
- Holiday homework will be assessed on certain parameters and marks/grade will be awarded accordingly.
- Make sure that all syllabus done till May must be revised thoroughly as you begin your Periodic I from July.
- To score well in your upcoming exams strike a balance between your leisure time and studies.
- Read NCERT chapters thoroughly and make optimum use of the practice manual.
- Highlight areas of doubt and clarify with the teacher after vacation.
- Refer different reference books for strengthening the conceptual knowledge.

BE A WONDERFUL HUMAN BEING: KEEP IN MIND TO

- Follow a schedule during holidays. Be a good time manager.
- Read newspapers daily and stay updated with current affairs.
- Do the homework independently, only ask for assistance from your parents or guardians
- Give time to pursue your hobby.
- Appreciate nature and go for “Nature Walks”, plant trees and spread the message of Nature Conservation”
- Remember to have a wide mouth container filled with water outside your house for the birds to get respite from the scorching heat.
- Pray to almighty daily and thank for the blissful life that you enjoy.
- Be a helping hand to your parents and learn the skill of shared responsibility.
- Do the work by following the guidelines given with each work or activity
- Always wish and welcome the guests with a smile.
- Spend time with your parents and grandparents, their rich experience will help you overcome challenges with ease.
- Minimise the use of gadgets
- Keep the home clean and mess free.
- After eating, keep the plate in your kitchen and rather love washing it yourself.
- Water the plants and rejoice the beauty of nature.

HEALTHY LIFESTYLE BE YOUR PRIORITY

- Give prime importance to your health. Eat lots of fruits, do exercise and get into yoga
- Pledge for “Eat Right -Less Sugar, Less Oil and Less Salt”
- Wash hands frequently, especially before and after meal.
- Avoid sharing of towel, handkerchief, brush with others.
- Trim off the nails and hair regularly.
- Drink a lot of liquid like water and other natural sources of water like tender coconut water, aam panna , lime water, Buttermilk etc.

REQUEST TO PARENTS

Summer vacation time is an opportunity to spend the quality time with your child and make him/her feel special of his unique identity.

So just spare sometime and do the following:

- As parents and teachers, we understand the importance of developing the habit of eating healthy food. This is the best time when children can enjoy the healthy food with the family. As you are aware that our students enjoy the **Fruit break** in the beginning of the day on daily basis in the school, during holidays also we want them to follow the same habit at home.

- Let your child watch some entertaining educational TV shows such as discovery kids, animal planet and make the learning interesting.
- Engage them to learn music/dance/theatre/any other dance form to bring them close India's Art & Culture.
- Talk about Omnipresence of **God** and humility being developed with regular prayers and doing good deeds as to offer best prayer to the God. Take them some religious places.
- Let them feed the poor and share things with needy people with love, let them enjoy the **Art of Giving**.
- Watch some good movies with your ward on love, compassion, humanity, kindness, forgiveness etc.
- Talk about the importance of parents and elders. Have at least 4-5 meals together.

Remember

“Every action is important and every deed is vital.....”

Wishing all the students a joyful learning and Happy Holidays

Kind attention please

- **The school will reopen on 21st June 2021 i.e. Monday.**
- **The school office will remain OPEN during the summer vacation on all working days.**
- **Clear all kind of dues (if any) at the earliest to avoid late fine and further inconvenience.**

NOTE: Holiday Homework will not be accepted after the dates assigned for each subject by the Academic Dept.

Subject-English

SHASHANK SINHA :9955044399

:

Maddy loves to jump rope, ride her scooter, and ride her skateboard. One day, Maddy gets a hole in the shoes she likes best while riding her scooter. They are pink with hearts and a Velcro tab. Now she needs new shoes. Maddy's mom takes her to the department store on Saturday morning. The store is filled with people looking for shirts, dresses, pants, and toys. Maddy's mom takes her to the shoe area. The shoe area is crowded, and there is a long wait. Maddy does not mind. Maddy sees a pair of purple sneakers with orange laces. She sees a pair of red sandals with dots. She sees a pair of green flip-flops. She wants the purple sneakers. "But you do not know how to tie your laces," says Maddy's mom. "I will learn," says Maddy. Maddy's mother thinks. She does not want to tie Maddy's laces each morning before school. "If we buy the purple sneakers, you must learn to tie them before you can wear them to school," says Maddy's mom. "I will! I promise!" says Maddy. She is very happy. Maddy practices tying her laces for the rest of the day. She practices more on Sunday. Finally, she learns how to tie her laces. She gets to wear her new shoes to school on Monday. "I did it," she says with a big smile.

NOTE: All the assignments should be done in homework copy

Subject: Geography, History and Civics

Subject Tr. Name: Mamta Singh., Ajit Kumar Rana

Subject Tr. Contact No: 9631474222., 8294950190

A . Subject - Geography

Answer the following questions...

- 1) Describe the formation of solar system.
- 2) Give a brief description on the phases of moon with the help of diagram.
- 3) Mention three main characteristics of planet.
- 4) Define the following asteroids , meteoroids and comets.
- 5) Why earth is called a unique planet give examples.
- 6) Mention three main characteristics of a satellite.
- 7) Draw and colour our solar system...
- 8) Make a list of planets of our solar system,, its rotation time and revolution time around the sun...

B . History -

Answer the following questions : -

1) How does the study of the monuments help the historians?

2) What are the literary sources of Indian history?

3) How do the archeological source material help us to learn about our past?

1. Prepare a chart on Roman Numbers with match sticks.

PROJECT-

2. Write a short note on Aryabhata.

ASSIGNMENT-

3. Solve questions of WS-2(Chapter -1) and WS-1 (Chapter-2).

4. Test the divisibility of the following numbers by 11.

(a) 45367 (b) 538494

5. Write any five properties of HCF and LCM.

6. Write any four twin primes between 50 and 110.

7. Complete the series --

1,1,2,3,5,8,13,21,34, _____, _____

Subject: Physics

Subject Tr. Name: PratiKanandpandey

Q.1.Convert the following:-

a)1m =.....cm. b)1km=.....m

c)1feet=.....inch. d)1 sec.=.....hour.

Q.2 Explain the difference between rest and motion .Give two examples of each.

Q3.Distinguish between Rotation and Revolution by giving one example of each.

**Q.4 Define:- a)Rectilinear motion. b)Circular motion. c)Periodic motion . d)Electric cell
e) Battery. f)Electric current .**

Q.5 Name a device which conversion:-

a)electrical into light energy

b)Sound into electrical energy

c)chemical into electrical energy.

All the best.

Subject Tr. Contact No:9123205471

1 Name three materials that are(I) soluble (II)insoluble in water

2 Name any three materials that are (I) transparent (II) opaque in nature

3. Define term , 'solubility''How does it change on increasing the temperature ?

4 Briefly describe an activity to show that pure water is a transparent liquid,

5 Why do solids have a fixed shape and a definite volume?

6 Name any three method used for separating a solid - solid mixture,

7 Name any three substances ,Which sublime on heating,

8 The filtration method cannot be used to separate sugar and salt mixed in water ,why ?

9 State the difference between homogeneous and heterogeneous mixtures ,Give two example of each type,

10 Why do materials diffuse into each other ?

Subject: Biology

Subject Tr. Name: Mamta Kumari

Subject Tr. Contact No:9122731787

To write and Learn

1) Differentiate between :

- a) autotrophs and heterotrophs .**
- b) biodegradable materials and non biodegradable materials.**
- c) decomposers and scavengers .**

To read

Chapter 8 : Structure and function of living organisms - Plants.

Activity

I) Daw a well labelled diagram of a plant and colour it .

II) Make a model to show the difference between biotic and abiotic components.
